

Dear Alan,

Please find enclosed my cheque for £ [redacted] to settle your bill.

Thank you very much for doing such a good job for me - please thank Alan and Dave too. You were all so pleasant and polite to have around my house. I appreciated that very much.

My washing machine is now installed and working and I have mown the back lawn using the outside socket - that was such a help.

My best wishes to you in your business.

Joyce Latham.
